Location: Texans Against Crimes Night Out sites throughout the city

EL PASO, TEXAS – Tuesday, the El Paso Police Department along with the Neighborhood Watch Association will be participating in “Texans Against Crime Night Out”. This event is the same as the 33rd Annual National Night Out celebrated across the nation August 2, 2016. The event is sponsored by the National Association of Town Watch which created a different event for Texas communities to promote Texas citizens’ involvement in their community in taking a stand against crime. The El Paso Neighborhood Watch Association together with many of the area Neighborhood Watch programs will be holding events showing that they stand united against crime. During the events, members of the El Paso Police Department will be visiting many of the gatherings in El Paso’s various neighborhoods. This program is one of the many community-policing programs that the El Paso Police Department supports. The El Paso Police Department encourages the community to participate in Texans Against Crime Night Out by turning on their exterior lights during the event. Citizens can find events in their neighborhoods by contacting their nearest Police Regional Command Center Crime Prevention Officers at the following numbers:

Central Regional Command Center	212-0210
